A modern office interior featuring ergonomic desks and chairs. The space is characterized by a high ceiling with exposed wooden beams and linear lighting fixtures. Large windows on the left side provide natural light, while a glass partition on the right separates the workspace. A prominent white pillar stands in the center. The desks are equipped with multiple monitors and ergonomic chairs. Potted plants are placed on the desks, adding a touch of greenery. The floor is covered with a patterned rug.

EQUIP ERGO SOLUTIONS ARE PREMIUM OFFICE SETUPS THAT ARE
COHESIVE, WORKING WELL IN ANY OFFICE ENVIRONMENT.**

EQUIP HOME AND OFFICE

ERGO 3 WAY ELECTRIC SIT-STAND DESK FRAME

The equip® ERGO Electric Sit-Stand Desk Frame creates your own desk space that lets you stand up during the long workday with an electric height adjustable frame. Periodically standing throughout the day can help relieve tension on the neck, back, and shoulders, as well as increase blood flow and reduce stress.

Enjoy being able to stand up in seconds with this sturdy frame featuring a dual motor lift system for smooth height transitions, telescopic height adjustment for ideal ergonomic viewing, touch control for customizable settings and convenience, and solid leg support for desk surfaces weighing up to 100kg.

Product N° - 650351

- Max VESA: 600 x 400
- Max Loading weight: 45kgs
- Built-in Cable management
- VESA standards compliant
- Anti-Theft Locking Hole: for additional security preventing
- Modular mount with unlimited video display configurations
- Pop-Out Lock System: ensures safety by reducing the possibility of accidental pop-outs
- Pop-Out extension provides quick access for installation and maintenance
- Compatible with landscape mounting

Product N° - 650352

- Max VESA: 600 x 400
- Max Loading weight: 70kgs
- Built-in Cable management
- VESA standards compliant
- Anti-Theft Locking Hole: for additional security preventing
- Modular mount with unlimited video display configurations
- Effortless Micro-Adjustments: allow seamless display alignment
- Pop-Out Lock System: ensures safety by reducing the possibility of accidental pop-outs.
- Effortless Micro-Adjustments allow seamless display alignment
- Innovative Quick-Release for easy installation
- Compatible with landscape and portrait mounting
